Okay. But we had problems with the shower. The triple rooms did not have three beds, but only two. The third was sleeping almost on the ground. He didn't vacuum once in a week.

The hotel was great. The free WiFi they had was kind of slow, which is understandable. The food they cooked was delicious. And the customer service was great! But the only thing that I didn't like was the fact that no room had spare towels or blankets, I'm pretty sure you had to ask for them.

Thank you very much for the opportunity to visit Zagreb and to share time with people from Osnovna Skola "Odra".

I would like to add that the people in Croatia are really amazing and that I would definitely visit Croatia again.

Thank you very much for the wonderful experience!

The organization of school activities was great.

No. Everything was great!

The hotel WiFi was average at best

This whole journey was amazing and I am grateful I was in it. :)

I am so glad that I participated in this project. I met amazing people in this wonderful city. It was awesome.

All the people were really nice. I made new friends and I'm going to miss them all. This was the best week ever !

The only problem was that the wifi in the hotel was not the best, because it was stopping every 5 minutes and the wifi was below average.

No. Thank you for the great time!

What I would like to add is that I was the first one to struck up a conversation with the boy side of the Croatians, which I'm so happy on doing! Also it would be great if the hosts (the croatians) are seeing this because that way they could easily tell the following names of the people how much I miss them and appreciate their kindness. Thank you Martina (continue brightening my days), Karla (i love your glasses), Manuela (you have one gorgeous hair girl), Tonka (glad I met another one of you sweethearts), Ton`Ci (you are one funny guy), Karlo (i'm sorry for calling you lucifer and karlos by the way), blond haired Marko (you are very charming, I like it!), brown haired Marko (you are a mysterious man and would get to know you more! Loved the bus trip to veliki tabor and the fact that we sat together chatting about stuff) and lastly Adrian (the doodle guy). I appreciate the time you guys took to come to the hotel and visit us almost every and even on last the day. Everyone of you looked absolutely gorgeous and the kindness was one of the best things about your personalities. I wish to meet you all again and my last wish is that we still keep contact. Love you lots. Ps: written by Izzy aka Izabella :)

It was a wonderful week and we are all happy and overwhelmed of so many emotions. Happy to have met so many warmhearted people from Croatia and Bulgaria.

Thank you for your hospitality, Ana and all Croatian team.

It was a pleasure to be meet you!
I hope we will meet again in the future!

Everyone were so so nice. I had a great time and am very sad that I didn't get to spend more time with my new friends.

it was very nice and I would like to see the children again in Bulgaria and Croatia

It was a great week, croatian people verry organized and hospitable.

I liked the children very much because they were sociable and it was very difficult for me to part with them, especially with the friends I had made when they came to Romania.

Nu mai am nimic de zis
